

## Since used eight ways

### ADVERB:

- 1) From then **until now** or **between then and now**:  
They left town and haven't been here since.  
She called about two days ago, and I haven't heard from her since.
- 2) Before now; ago:  
a name **long since** forgotten.
- 3) After some point in the past; at a subsequent time:  
My friend has since married and moved to California.

### PREPOSITION:

- 4) **Continuously** from:  
They have been friends since childhood.
- 5) **Intermittently** from:  
She's been skiing since childhood.

### CONJUNCTION:

- 6) During the period subsequent to the time when:  
He hasn't been home since he graduated.
- 7) Continuously from the time when:  
They have been friends ever since they were in grade school.
- 8) Inasmuch as; because:  
Since you're not interested, I won't tell you about it.

### Use “since” in the following ways:

- 1) as the last word in a sentence
